# KITE School

**Kite Advance** uses the latest equipment in kites, boards, buggies and accessories. The latest teaching techniques to make your progression through the learning stages of kiteboarding, kitebuggy or power kiting enjoyable, rapid, and as safe as possible.

Kite School teaches from beginners, with limited kiting experience through to those who need assistance getting the best out of the sport. With over 30 years experience, you know you are in safe hands.

**Kiteboarding Lessons** are based around the skill level of the student, a guide to lesson progression follows this format:

## Lesson 1 - Kiting Basics

Learn about the kite, flying, launching, self rescue, kiting location, safety systems etc. Getting in the water and having fun. A good come and try style lesson.

## Lesson 2 - Upwind and introducing the board

Refresh and reinforce techniques previously learnt. Learn upwind techniques and board basics. Getting an understanding of standing on the board is what this lesson is all about.

## Lesson 3 - Board control

Board skills, how to maintain a course, turn, riding upwind, dealing with excess speed, holding a good edge and the different types of boards.

**Lesson:** The lessons are based on 2 hour duration, this includes setup and pack down as these skills are essential.

**Cost:** \$180 for first 2 hrs - + hours \$85 per hr.

**Group:** max: 4

1st person - \$180

Extra person - \$165 p.p

+ an extra 20 mins p.p
